John,

I spoke with Jack Carey this morning. They cannot make 10:00 on Thursday 6/13/02, but they can make 1:00 p.m., so I told them that time was OK unless I called them to change it. I spoke with Brad yesterday afternoon and he said it was fine to inform them about the [REDACTED] website. I gave that info to Jack Carey this morning. They would like both you and Greg to be there if possible.
