Jack Carey called at 3:55 p.m. on 6/7/02 to confirm that PSEG will be able to come to Region I on 6/14/02 for the 2:00 p.m. meeting. Mr. Carey will have with him Messrs. Lake, Stroup and Keenan.

Mr. Carey asked if this meeting would be a "public" meeting. He stated he had asked his Licensing Manager and was informed that any time there is a drop-in meeting - it is a public meeting. I informed Mr. Carey that it was my opinion that because of the subject matter to be discussed (their response to our alleged referral letter and some other unstated issues by Mr. Carey) this meeting would not be a public meeting. If I am wrong please let me know. I told Mr. Carey I would contact him sometime Monday, 6/10/02 regarding his question of public meeting or not public meeting.
