Wayne, et. al,

Just a reminder. I will need an answer for this TODAY. I need to call this guy back and tell him where we are.

N

Called [redacted] on 1/13/03. Told him that same question had been posed to Chairman Meserve by Congressman Markey and that I would not be able to provide a response to him until after Meserve had responded to Markey. [redacted] indicated that he understood and had no problem waiting until I had gotten the response.
