Subject: Re: Fwd: Question

Treat it as an email received allegation.

Ed,

The name is vaguely familiar, but the issue is not. I guess we should put this in the allegation system. Should this be treated as an "E-mail submitted allegation" or should we treat it differently because it was submitted via the NRC Website?

>>> Edward Baker 10/23 8:40 AM >>>

Dave - The attached came into the allegation web page. It may or may not be an allegation, depending on whether we have addressed the issue in the past.
