

Appendix E

HOLTEC HI-STAR 100 Component Temperature Distributions

Appendix E

HOLTEC HI-STAR 100 Component Temperature Distributions

Figure E.1. Impact Limiter Skin Temperature Distribution - Normal Transport Conditions.

Figure E.2. Impact Limiter Structure Temperature Distribution - Normal Transport Conditions.

Figure E.3. Canister Shell Temperature Distribution - Normal Transport Conditions.

Figure E.4. Cask Inner Shell (Primary Containment Boundary) Temperature Distribution - Normal Transport Conditions.

Figure E.5. Gamma Shield Temperature Distribution - Normal Transport Conditions.

Figure E.6. Fin Structure Temperature Distribution - Normal Transport Conditions.

Figure E.7. Basket Axial Temperature Distribution - Normal Transport Conditions.

Figure E.8. Basket Radial Temperature Distribution - Normal Transport Conditions.

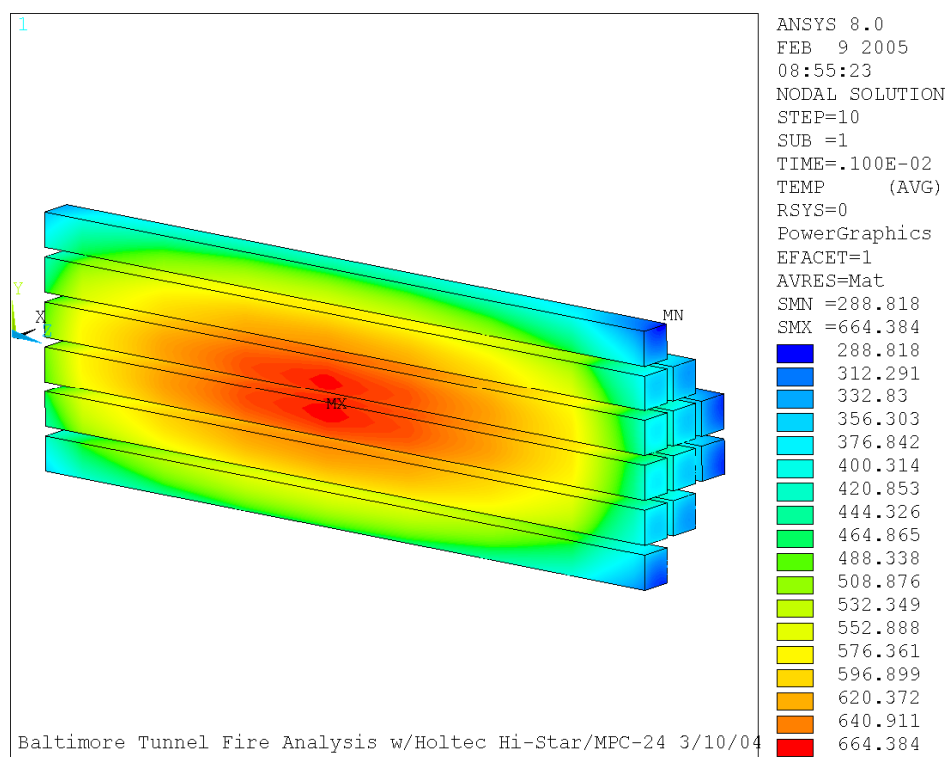

Figure E.9. Spent Fuel Axial Temperature Distribution - Normal Transport Conditions.

Figure E.10. Spent Fuel Axial Temperature Distribution - Normal Transport Conditions.

Figure E.11. Spent Fuel Radial Temperature Distribution - Normal Transport Conditions.
