Subject: Re: HC SSW - Unauthorized Installation of Chemistry Monitoring Equipment

Scott and Joe,

Why is this an SSW item? I'm assuming that the [redacted] was not providing this info in an official license capacity. I would think he would be the allegor.

>>> Scott Barber 12/13/02 10:38AM >>>

Attached is my first draft of an Allegation Receipt form for SSW pertaining to Unauthorized Installation of Chemistry Monitoring Equipment at HC. Please revise it, as necessary, and forward it to the region for processing.
