

UNITED STATES GOVERNMENT

Memorandum

TO : Staff

DATE: August 7, 1964

FROM : John L. Sullivan 

SUBJECT: TECHNICAL REVIEW COMMITTEE

Please note that we are to provide all logistical support and this is to be given high priority. The room for the Committee is to be Room 428, the Director's office, and the adjoining Conference Room, 430-A. Mr. Malone will take whatever action is necessary to equip the room and provide reproduction and other services. Stella Teets should provide secretarial help as required. Messenger service and other mail and file facilities should be made available to the Committee as needed.
