AUG 1 4 1964

Dr. Herbert J. Kouts
Post Office Box 626
Brookhaven, New York 11719

Dear Dr. Kouts:

This will confirm that a copy of the Compliance Investigation Report prepared by the Division of Compliance, Region I, subject:

UNITED NUCLEAR CORPORATION
Scrap Recovery Facility
Wood River Junction, Rhode Island
License No.: SNM-777

Type "A" case - Criticality Incident

was furnished you and each member of the Technical Review Committee on August 14, 1964. Copies to Messrs. Paxton and Bills were airmailed whereas the others were delivered by hand on the same date.

The report consists of Volume 1, Report Details, and Volume 2, Exhibits, and covers the period of investigation from July 25, 1964 to August 7, 1964.

Very truly yours,

Original signed by
L. D. Low
