Dr. Herbert J. Kouts
Post Office Box 626
Brookhaven, New York 11719

Dear Dr. Kouts:

Attached is a copy of a report prepared by P. Carolyn Gooch of the Biology Division, Oak Ridge National Laboratory, dated September 29, 1964, and entitled "Leukocyte Chromosome Aberration Analysis of Individuals Involved in the United Nuclear Corporation Criticality Accident of July 24, 1964" and supplement dated October 1, 1964. These are transmitted with a copy of a memorandum dated October 5, 1964, from Dr. Herman M. Roth, ORNL, to R. W. Kirkman, Compliance Region I, also attached.

Copies of the foregoing are being furnished each member of the Technical Review Committee.

Very truly yours,

Original Signed by
