SUBJECT <b>NRC's Request for Additional Information Concerning Saint Luke's Hospital of Kansas City Decommissioning Report for Medical Plaza I Building and Dickson-Diveley Laboratory</b>				
SUMMARY (Continue on Page 2)				
<p>NRC contacted the RSO for the Saint Luke's Hospital license 24-00889-01, to request additional information concerning the licensee's letter and decommissioning report dated, June 21, 2005 (ML051800195). The NRC reviewed the report and discussed with the RSO it's findings and requested some additional information. The RSO provided additional information to support the submitted decommissioning report:</p> <p>1) The office shown in the facility drawing for the Medical Plaza I Building is a non-impacted area.  2) Attached e-mail from the RSO addresses the statement, "; however trace contaminants in the stock solutions (other radionuclides) may still exist" (third line, second paragraph from the bottom/page two of the report, "Decommissioning of the Immunological Research Laboratory, Dickson-Diveley Building").  3) RSO faxed attached copies of shipment receipt confirmations to demonstrate disposition of material to authorized licensees  4) Liquid scintillation counting times were discussed, no problems noted.  5) RM 25 of the Dickson-Diveley Building was discussed, no problems noted.</p>
