Attention: Mr. D. F. Cronin
Director of Licensing

Gentlemen:

Pursuant to Title 10, Code of Federal Regulations, Part 71, Special Nuclear Material Licenses SNM-33, dated April 21, 1965, SNM-368, dated February 11, 1964, and SNM-777, dated March 5, 1964, are hereby amended to authorize shipment of fissile materials in accordance with the statements, representations and procedures specified in your application dated December 9, 1965, except that for shipments where carrier certification is used for commingling control, the certificate of non-commingling as described in Paragraph 703.1 of License No. SNM-33 shall be used.

All other conditions of this license shall remain the same.

The above license condition concerning use of the specified non-commingling certificate was discussed with your Mr. F. Cronin in a telephone conversation on December 29, 1965, with Mr. R. Layfield of this office.
