United Nuclear Corporation
P. O. Box 107
Hexatite, Missouri 63047

Attention: Mr. L. J. Swallow, Manager
Nuclear and Industrial Safety

Gentlemen:

Pursuant to Title 10, Code of Federal Regulations, Parts 40 and 70, Special Nuclear Material License No. SNM-777, dated November 25, 1964, is hereby amended as follows:

- A. Extend the expiration date to November 30, 1968, in accordance with your application dated July 19, 1968; and
- B. Authorize the use of source material at UNC facilities in New Haven, Connecticut, in accordance with your application dated July 21, 1968.

All other conditions of this license shall remain the same.

Based on your application dated July 19, 1968, we will not take any further action on your pending applications for renewal of License No. SNM-777. Also, based on the telephone conversation on July 24, 1968, between your Mr. R. E. Kropp and Mr. R. L. Layfield of this office, it is understood that you will submit a revised application covering the activities described in your application dated June 24, 1968. Accordingly, we will not take any further action on this application.
