Bill,

Just wanted to give you a headsup in case you're interested in attending. I am in the process of preparing a notice for a meeting at GE's DC office on 9/14/05 from 12:00 p.m. to 5:00 p.m. and on 9/15/05 from 8:00 a.m. to 12:00 p.m. to discuss issues related to the methods used by GE to perform reactor neutronic and thermal/hydraulic analysis for the proposed EPU for Vermont Yankee. Sorry for the short notice but the decision to hold the meeting was made late last week. The final details on the time was just made this morning. This meeting will be closed to the public due to the proprietary nature of the information that will be discussed.

The meeting location is as follows:

General Electric Company
1299 Pennsylvania Avenue, NW
Suite 1100
Washington, DC 20004

Call me if you have any questions.

thanks,

Rick
