Subject: **Ad Hoc Alleg Panel on 9/23/02 at 1:30 p.m.**

Schedule attached.

At the DRP/DRS allegation panel on 9/18/02, it was determined that we would again discuss allegation #s RI-2002-A-0116 (Hope Creek) and RI-2002-A-0123 (Indian Point 2-3) on 9/23/02.

The Indian Point 2-3 issue (RI-2002-A-0123) is to be repaneled with Holian, Monroe and Vito present to discuss documents obtained by Monroe at IP 2-3 and the telephone call Vito/Holian had with the alleger on 9/13/02.

The Hope Creek (RI-2002-A-0116) issue to be paneled because of time constraints getting an **ack letter out to the alleger by 10/2/02** and to determine what actions the NRC may or may not take. **The next DRP/DRS alleg panel would be scheduled for 10/2/02.**

The staff MUST provide ARB forms to me no later than 10:00 a.m. on 9/23/02 for these two allegations.

Thanks
Sharon
