Ref: Change of Radiation Safety Officer (RSO)

Dear Mr. Gordon:

As per your instruction, we are hereby resubmitting our request to change the RSO. This request was previously submitted on May 5, 2005, but unfortunately never acknowledged by your department.

Mr. Jignesh Patel of our firm is a RSO on record. His job assignments warrant that his duties can't be effectively available to manage the program of RSO for our firm. We therefore, respectfully request change of new RSO to Mr. Chinmay G. Vyas, PE of our firm. Chinmay is partner in the firm and a registered professional engineer with M.S. in Environmental Science. He has experience in managing Analytical Laboratory for Chemical testing. He has successfully completed the training for the use of Nuclear Testing Equipment by Troxler Electronic Laboratories, Inc, Certificate # 12666.

Should you have any question, please feel free to call this office. We thank you for your time and considerations.

Very Truly Yours,
AB CONSULTANTS, INC.
