Subject: Letter

John,
I don't want to be a bother, but I wanted to let you know that Jim Beall of Comm. McGaffigan's office informed our office that the guard issue letter was "OK" by them. However, we were waiting to hear back from you before we sent the letter out (which truly does need to go today).

Please let me know if you have any problems with us sending out the letter today.

Thanks,
Leanne
