I am in today down at the TTC. The allegation is accurate. The only change Glenn made was to move background paragraph to the end.

I got Dan's email. It's apparent I need to review the allegation training material again. I will do that this week in TTC.

Mel,

Attached is the allegation receipt form we are working with - you indicated in your voice mail that it may not be accurate. Please review and/or replace with the version you wish for us to re-distribute and panel next week.

Call me if you have any questions.

Thanks,
