SUBJECT: THANK YOU

Dear Ms. Lanzim:

On behalf the U.S. Nuclear Regulatory Commission (NRC), I would like to thank you for the extraordinary level of customer service you have provided us. You obviously went out of your way, posting our meeting flyer for our public information session and placing our four volume license renewal applications on the library shelves for public review of Oyster Creek Nuclear Generating Plant. Because of your dedication, the public was better informed. It was a pleasure to work with you, and I hope that we will be able to work together again in the future.

Sincerely,

/RA/
