Subject: DRS/DRP Review of PSEG Response to Concerns Regarding Security

Dave,

Greg and I reviewed the PSEG response to the security plan issues raised regarding Salem and Hope Creek during a KYW news story in mid-November 2001. The response was considered acceptable and reflected a considerable effort by PSEG to comprehensively review this matter well prior to our referral of this allegation in mid-December.

Based upon our review, no further action in this matter is merited and we suggest that this allegation be closed. Please remove it from the allegation panel listing for Wednesday.

I will forward you a closeout memo to the file later today or tomorrow. Thanks!

Rich
