

ALLEGATION DISPOSITION RECORD

Allegation No.: RI-98-A-0102
Site: Salem
Panel Date: 10/21/98

Branch Chief (AOC): Linville
Acknowledged: Yes
Confidentiality Granted: No

Issue discussed: REPANEL: Alleger claimed H&I and that licensee pushed productivity over safety when a main steam valve root cause analysis was not properly evaluated. Residents completed technical review and did not substantiate alleger's concerns. DOL did not substantiate H&I and Alleger has appealed.

Further, following receipt of status letter and inspection report excerpt. Alleger provided supplemental info to us on 9/30/98 refuting our assessment. Resident inspector review of supplemental info concluded that no new significant info was presented. [The basis for this determination is attached for review]
