Subject: Re: Question Regarding Referral of Non-Allegation

Rich,

Sharon will ask Marie to assign a RA Action Item today that will be due on 5/11/01. You will need to write a letter to the individual by then. Since this is now not defined as an allegation, I guess the method of referring the issue to the licensee is up to you. I have no criteria to refer to in this instance. I guess you could judge the level of formality of the referral based on the fact that you will need to describe what you did when you write the letter to the individual.

Dave,

Later this afternoon, I was going to try to refer the non-allegation at Salem that we discussed today. As a matter of procedure, can I:

- 1) Refer it verbally today with a formal letter to follow?;
- 2) Must I have a formal referral letter or can I document the referral via a phone record?; and,
- 2) Can Glenn sign the referral letter versus Randy since the request does not ask for a PSEG response? (Randy is out the next several days.)

If you can get back to me soon on this one, I would appreciate it. I would like to wrap this issue up sooner versus later since we have a lot going on the next couple of weeks. Thanks!

Rich
