Summary: I asked Bruce about the status of the decommissioning funding plan and decommissioning cost estimate. They have received a draft from their consultant and will be scheduling a meeting with him to go over the document. They should be sending it to us by the end of September 2005. I asked Bruce to fax me a copy of the unexecuted draft of the certificate of resolution by Monday Sept. 12 to close out a separate financial assurance audit item. I sent him an email with information on exactly what is needed and where to find a copy of a model certificate of resolution.
