Eric,

I tried that earlier. ADAMS says there's nothing there. I must not have viewing rights to it.

Dave - the letter went out on 4/30/02. You can get it on ADAMS - ML021050419 or Green Ticket No. G20020210.

Dave,

Via this email, I am forwarding your request to Jack Davis, who is responsible for the ERCT (Communications Team). His team should have the information you are requesting.

Thanks,
Vonna

Vonna,

On 4/18/02, you provided me with a copy via e-mail of a partially concurred in letter to Congressman Markey from the Chairman re: security access in general and at Salem in particular. Did the letter ever go out? And can I at least get an electronic version of the final letter? We intend to use the letter as acknowledgment and closure of an allegation. Thanks.
