Subject: Meeting with Concerned Individuals

I stopped to see you, but you weren't in.

Randy stopped by to discuss the proposed meeting for Wednesday. He had some questions/issues that we need to work out prior to Wednesday. He suggested that you call Lochbaum on some of them. Some we need to decided on separately.

- Should Dan Orr attend or do the individuals have concerns that his attendance would in some way affect their identity protection?
- Should OI attend? I invited them, but Ernie mentioned that their attendance was not made known to Dave Lochbaum.(DL)
- We need to confirm that DL has a location for the meeting and get directions from him.
- The attendees need to work out the travel arrangments (i.e. one car, multiple cars, etc.)

I would enjoy the opportunity to discuss any of these items with you in more detail.
