Dear Mr. Anderson:

The U.S. Nuclear Regulatory Commission recently received information concerning activities at Salem and Hope Creek Nuclear Generating Stations. A description of the concerns is enclosed.

We request that you conduct inspections or investigations as necessary to reasonably prove or disprove these concerns and request that you inform NRC Region I, ATTN: Mr. David J. Vito, within 30 days of the date of this letter of the details of your resolution of this matter.

NRC review of your response will include whether: (a) the individual conducting the investigation was independent of the organization affected by the concern; (b) the evaluator was proficient in the specific functional area; (c) the evaluation was of sufficient depth and scope; (d) appropriate root causes and generic implications were considered if the concerns were substantiated; and (e) the corrective actions, if necessary, were sufficient.

We request that your response only be sent to Mr. Vito at the following address:

Mr. David Vito
P. O. Box 80377
Valley Forge, Pennsylvania 19484

No other copies should be sent to the NRC. Please do not submit your response to the Document Control Desk. We also request that your response contain no personal privacy, proprietary, or safeguards information. If personal privacy or proprietary information is necessary to provide an acceptable response, then please provide a bracketed copy of your response that identifies the information that should be protected and a redacted copy of your response that deletes such information. If you request withholding of such material, you must specifically identify the portions of your response that you seek to have withheld and provide in detail the bases for your claim of withholding (e.g., explain why the disclosure of information
