Subject: <small>(NOTE: This will be used as the Documents Title in ADAMS)</small>	Additional information regarding license amendment request	
Summary:	<p>Amendment request states that licensee wishes to add two AMPs, one ABR-certified and one not certified; however, supporting documents were submitted only for the non-certified physicist. Nate said the request was in error; the request is to add one physicist, Benjamin Anderson. I asked Nate if the request is to authorize Mr. Anderson for both HDR and Novoste, and if he has received the vendor training for both. Nate said Mr. Anderson should be authorized only for HDR and that he will receive vendor training before functioning independently as an AMP. I asked for information about Mr. Anderson's graduate degree(s). Nate said Mr. Anderson holds an M.S. in Medical Physics from the University of Cincinnati. He will fax a copy of the transcript.</p>
