SUBJECT: TRANSMISSION OF HISTORICAL RECORDS

Dear Mr. Steinbock:

Per your request, please find enclosed certain historical records concerning the operation and history of the Superior Steel facility. These records should prove useful in your efforts relating to the development of a strategy to address decommissioning activities. A copy of this letter and its attachments will be placed in the NRC Public Document Room and will be accessible from the NRC web site at <http://www.nrc.gov/reading-rm.html> (ADAMS ascension number ML031040335). If you need additional information or if you have any questions concerning these documents please contact Robert Prince, of my staff, at 610-337-5376.

Thank you for your cooperation.

Sincerely,

/RA/

Marie Miller, Chief
Decommissioning Branch
Division of Nuclear Materials Safety
