SUBJECT: SUPERIOR MEDICAL DIAGNOSTICS II, L.L.C., VOIDANCE OF APPLICATION  
FOR LICENSE AMENDMENT, CONTROL NO. 137282

Dear Mr. Galdi:

This concerns the subject application for an amendment to your material license. A Request for Additional Information was made to you on August 4, 2005, with a follow-up request by telephone to Gordon Tellefsen, nuclear medicine technologist on September 8, 2005, for which a reply was not received. I spoke with Mr. Tellefsen again on September 20, 2005, and informed him that the amendment request would be voided but could be reopened once you had the requested information. This action is taken without prejudice to the resubmission of your request.

Sincerely,
