<b>Re: Notifications for two upcoming enriched UF6 shipments</b>			

Enclosed are the notifications for two upcoming enriched UF6 shipments: one for 15 cylinders to Westinghouse, Columbia, SC and the other for 8 cylinders to Framatome ANP, Richland, WA.

As you probably know Debra Panzenhagen left Transnuclear on March 31 and Eric Winston left on April 15. As you may or may not know, Transnuclear will be moving its offices to Columbia, MD on or about August 31, 2005, so until other staffing arrangements are made, I am it. Please let me know if there is anything else you require.
