Re: License and Service List for the Private Fuel Storage, LLC ISFSI  
Located on the Skull Valley Band of Goshute Indians Reservation, Utah

Dear Mr. Brown:

I would like to ensure that I receive a copy of the license when the NRC Staff issues it to Private Fuel Storage ("PFS") either via your service list or otherwise.

Although I am on the OGC and EIS service list, I am not on the service list issued by your office. For example, the enclosed certificate of service, dated June 2, 2005, issued by your office, does not include my name. Please remove Diane Curran's name from this service list and replace it with my name and address as follows:

Denise Chancellor, Esq.  
Assistant Attorney General  
Utah Attorney General's Office  
160 East 300 South, 5<sup>th</sup> Floor  
P.O. Box 140873  
Salt Lake City, UT 84114-0873

Please continue to serve me on your service list on all future correspondence and papers relating to the PFS facility. If you are no longer the project manager for the PFS ISFSI, please forward this letter to the appropriate person. Thank you for your assistance.

Sincerely,

Denise Chancellor  
Assistant Attorney General

Mr. John Harja, Executive Director  
Resource Development Coordinating Committee  
State of Utah

SUBJECT: FINAL MEMORANDUM OF AGREEMENT FOR THE PROPOSED  
PRIVATE FUEL STORAGE FACILITY

Dear Mr. Harja:

By letters dated December 1, 2000, and June 19, 2001, the staff of the U.S. Nuclear Regulatory Commission (NRC), in cooperation with the U.S. Department of Interior's Bureau of Indian Affairs (BIA) and Bureau of Land Management (BLM), and the Surface Transportation Board (STB), (collectively, the cooperating Federal agencies), requested comments regarding a draft Memorandum of Agreement (Agreement) that outlines agreed-upon measures that Private Fuel Storage, L.L.C., will take to avoid, minimize, or mitigate adverse effects of the proposed project. Based on the comments received from the consulting parties, the Agreement was revised.

By letter dated January 24, 2003, the State of Utah's State Historical Preservation Officer's (SHPO) signature was requested on the copy of the final Agreement. As discussed in our telephone conversation on April 6, 2005, I have enclosed for your signature, a revised final Agreement which extends the termination date in Section IX, Termination, of the final Agreement to January 1, 2010. This change in the Agreement is marked with a sidebar. As the State of Utah's SHPO for the proposed Private Fuel Storage Facility, we would appreciate your signature, within 10 days from the date of this letter, on the final Agreement. Should I not hear from you within 10 days, I will assume that the State of Utah has withdrawn from the Section 106 consultation process for the Private Fuel Storage proposal. Please note that any site location information contained in the draft Treatment Plan may not be released to the general public under Federal law, and it is essential that this information be protected.

If you have any questions, please contact Melanie Wong (NRC) at (301) 415-6262, Laird Naylor (BLM) at (801) 977-4357, Garry Cantley (BIA) at (602) 379-6750, or Phillis Johnson-Ball (STB) at (202) 565-1530.

Sincerely,

A handwritten signature in cursive script that reads "Stewart W. Brown".
