Re: Federal Consistency Certification Under Coastal Zone Management Act
Virginia Coastal Resources Management Program
North Anna Early Site Permit Application

Dear Mr. Murphy:

As discussed with you recently, Dominion requests an extension of 45 days from September 22, 2005 to obtain the Commonwealth's concurrence for the Federal Consistency Certification submitted to your office on March 21, 2005 for the North Anna Early Site Permit Application. This extension is allowed under National Oceanic and Atmospheric Administration regulation at 15 CFR 930.60 (a) (3). Additional time is needed to clarify understandings between Dominion and DEQ regarding the scope of the certification.

If you have any comments please contact Jud White at 804-273-2948 or Tony Banks at 804-273-2170.

Sincerely,

Pamela F. Faggert
