Dear Colleen,

Subject: License Number 50-23289-01 Amendment

I need your help we have been getting a lot of general licensing forms to fill out i.e.:
GL-705519-2, GL-705519-5, GL-708608-2, GL-708608-5, as far as I know we only need
our specific license for all our devices that we use onsite at the mine for online density
measurement of our zinc/lead ore concentrate please advise. Also, I would like to remove
Mr. Greg Gates from our license as he just resigned September 2, 2005.

Sincerely, 

Felix Casey Strzelewicz

DATE

This is to acknowledge the receipt of your letter/application dated 09-07-05, and to inform you that the initial processing, which includes an administrative review, has been performed.

There were no administrative omissions. Your application will be assigned to a technical reviewer. Please note that the technical review may identify additional omissions or require additional information.

Please provide to this office within 30 days of your receipt of this card:

The action you requested is normally processed within 90 days.

A copy of your action has been forwarded to our License Fee & Accounts Receivable Branch, who will contact you separately if there is a fee issue involved.

Your action has been assigned Mail Control Number 470705.
When calling to inquire about this action, please refer to this mail control number.
You may call me at 817-860-8103.

Sincerely,

Colleen Murahan
Licensing Assistant
