

SENSITIVE ALLEGATION MATERIAL

April 14, 2000

MEMO TO: Patrick Hiland, Chief, Fuel Cycle Branch, DNMS

FROM: A. Kock, Office Allegations Coordinator, EICS

SUBJECT: REVIEW OF INFORMATION PROVIDED BY A CI RIII-2000-A-00 (ALLIED SIGNAL) <sup>82</sup>

On April 12, 2000, EICS received a letter from a concerned individual related to overexposure to radiation and toxic chemicals and release of radioactive waste to the environment.

Action

- Please review the attached documents to identify any safety concerns and/or enforceable items and make recommendations. The results of your review should be documented in a memo to EICS. This memo should state the concerns and/or enforceable items, provide the regulatory basis for each item, and include a recommendation for any appropriate follow up actions. Please provide the memo in both hard copy and electronic form. The e-mail address is OAC3. The results of your review are due to OAC3 by April 28, 2000
