Summary:	<p>I left a message on Mr. Harless' voice-mail for him to get back in touch with me.</p> <p>12:15 I spoke with Mr. Harless. He stated that it is the intention of the company to temporarily stop licensed activities at the Totowa facility. Personnel at the facility have been informed. He would like to me place the licensing action on hold while management decides whether the license will be terminated or placed on NRC License No. 45-25221-01MD. I stated that I would put the action on hold and get back in touch with him in about a month's time if I did not get any information from him about the direction of the company.</p>
