We have initiated a RA action item to respond to the emails and phone calls regarding the VY power uprate.

Please forward them to me (with cc to Cliff Anderson and Donna Skay) and I will have them added to RA 04-51 (due date 5/28/04).

Diane,

Attached is a message from the HQ operations officer from a citizen in Greenfield, MA. Doesn't like the VY power uprate, and feels all power plants should be closed anyway because they're too dangerous. This looks like one that Public Affairs should be handling. Please let me know what you think. Thanks.

Greg----- I wasn't sure if the VY PM needed to know about calls like this but I figured I should copy you anyway.
