Subject: (NOTE: This will be used as the Documents Title in ADAMS)	Questions regarding RAI dated July 28, 2005.	
Summary:	Mr. Johnson and Mr. Smith called in order to get more information regarding the RAI I sent on July 28, 2005. They asked if the current Stand-by Trust Agreement (STA) could be amended or did they need to send in a new letter. I informed them it would be better if a new STA with attachments were drafted because of all of the changes needed. The NRC would send the outdated documents back to the licensee once the action was completed. I answered questions that the licensee had on the various parts of the letter. The licensee agreed to process the response as quickly as possible so that the action could be completed.
