No, I didn't mean about editorial changes to the letter, I meant about releasing it period in light of your concerns about the meeting. Should I hold off on issuing it?

I already replied yesterday on the press release around midday. I'll forward it again if you can't find my e-mail.

Beth,

By the way, the Vermont Yankee EOC meeting press release should really go out today if we're to have it out a week before the meeting. Can you let us know ASAP if we can let it fly? Diane talked to the DRP folks here, including Randy Blough, and they indicated they're inclined to go ahead with the meeting.

Neil
