Jeanne,

Here's a link to the press release we've just issued about the special inspection we plan to do at Vermont Yankee with regard to the missing spent fuel rod segments: http://www.nrc.gov/reading-rm/doc-collections/news/2004/04-023i.html

Please call if you have any questions. You can contact me via our Ops Center, at (301) 816-5100.
