Subject: <small>(NOTE: This will be used as the Documents Title in ADAMS)</small>	
Summary:	<p>First I asked for Mr. Rowlands telephone extension of his telephone as the number did not direct dial to him. It is X2222.</p> <p>I requested a building diagram and building name where the additional licensed material would be stored. He could fax that into 610-337-5393 with MC 137540.</p> <p>I then added that we would add a license condition to inventory his radioactive material every 6 months. This inventory would need to be recorded and held for 5 years. He asked a couple of questions about performing an inventory but didn't have a concern with the additional license condition.</p>
Action Required:	Mr. Rowlands would fax in the building diagram.
