On August 25, 2005, a conference call was held between the Nuclear Regulatory Commission (NRC) and PPL Susquehanna, LLC (PPL) to discuss the NRC's request for additional information (Reference 1) regarding PPL's response (Reference 2) to Reference 3. During the conference call, the NRC requested that PPL submit a follow-up written response to the request for additional information. Also, in Reference 4, the NRC stated that licensees should provide written responses to all B.5.b requests for additional information. As such, the attached provides PPL's written response to the information discussed during the August 25, 2005 conference call.

Should you have any questions or require additional information, please contact Mr. Ronald E. Smith, at (570) 542-3298.
