Subject: <small>(NOTE: This will be used as the Documents Title in ADAMS)</small>	Delay in DOT Hazardous Material Training	
Summary:	Mr. Ratliff called to inform Jim Schmidt that the corrective action to provide hazardous material training, as required by DOT, agreed to during the September 22, 2005 inspection has been scheduled for 10/27/2005. This date is not within the 30 days implied by the licensee's signature as stated on the NRC Form 591. The licensee was told that this training date is acceptable provided that the licensee is not shipping hazardous material without current training. The licensee confirmed that no hazardous material training has been shipped since the inspection finding and that none will occur until the training is complete.
