1. Please resubmit the September 23, 2005, letter requesting an amendment to your license on Gritman Medical Center's letterhead.
2. Representatives of the licensee (corporation or legal entity) should date and sign letters requesting amendments or NRC Form 313. These representatives must be authorized to make binding commitments and to sign official documents on behalf of the licensee. An application for licensing a medical facility must be signed by the licensee's management. The individual who signs the application should be identified by title of the office held. Please note that signing the application acknowledges managements commitment and responsibilities for the radiation protection program. Management includes the chief executive officer or other individual having the authority to manage, direct, or administer the licensee's activities, or those persons' delegate or delegates.

Please resubmit the September 23, 2005, letter requesting an amendment to the license signed and dated by a management representative authorized to make binding commitments and to sign official documents on behalf of the licensee.
