DAVID H. HAWES (Reactor Operator License for Vogtle Electric Generating Plant) ASLBP No. 05-840-01-SP

October 18, 2005

ORDER

(Noting Potential Settlement Discussed in October 6, 2005, Telephone Conference, and Granting Staff Request to Hold Proceeding in Abeyance)

During an October 6 telephone conference in this proceeding, NRC Staff counsel and Mr. David Hawes stated that they had reached agreement on settling the matter, subject to final details being worked out, in part dependent on the agreement of the Southern Company. The parties expected to finalize this settlement agreement by October 14, 2005. On October 17, NRC Staff counsel in an e-mail transmission notified the Board that the parties are still trying to work out the details of a settlement, that one or two issues remain to be resolved, and that on this basis it was requested that the matter be held in abeyance for one week.

Staff counsel's request is granted, for good cause shown.
