TRANSCRIPTS OF INTERVIEWS

Dear Mr. Lopez:

I received your letter dated September 21, 2005, wherein you requested a copy of the Office of Investigations Report 1-2003-011 and transcripts of interviews conducted in support of the investigation so that you could review the documents in preparation for the Alternative Dispute Resolution session. While I understand your interest in reviewing these documents, it is NRC's policy to provide only a brief factual summary of the Office of Investigations Report, which you received, and to provide an interview subject, if requested by the subject, with the transcript of her/his own interview(s).

Thank you for your cooperation.

Sincerely,
