Dear Dr. Shanbacky:

This letter will serve as notification that Robert W. Luthmann, Ph.D. is now OakWood Center's permanent Chief Radiation Physicist. He is on our license as an authorized user. We are now requesting an amendment to our license that will authorize Dr. Luthmann to replace Stephen Milito, M.D. as the Radiation Safety Officer. Dr. Luthmann is certified by the American Board of Radiology in Therapeutic Radiological Physics. (See Attached)

Dr. Luthmann is employed as a full-time radiation physicist at OakWood Center. He recently attended a 3-day intensive training course on the GammaMed12i System and the Abacus Planning System conducted by Varian Medical. I am enclosing a copy of his Certificate of Attendance. Dr. Luthmann comes to us with many years of experience in HDR treatment and research.

With this amendment, I would also like you to remove David E. Cunningham, Ph.D. from our license as he is no longer employed by OakWood Center.

I will be waiting to hear from you at your earliest convenience. If you require any further information, please don't hesitate to call.

Sincerely,

Linnie P. Cough
Administrative Director
