Dear Mr. Moody,

Thank you very much for the one-week extension to provide comments as a supplement to the August 31 - September 1, 2005 public meeting. Attached please find a white paper endorsed by the Massachusetts Emergency Management Agency, the New Hampshire Bureau of Emergency Management and the Vermont Emergency Management Agency that serves as a joint statement. Additionally, a letter of endorsement from MEMA is also provided.

Please feel free to contact me should you have any questions.

Sincerely,
Christine Packard
