American Nuclear Society  
Young Members Group Chair, Mr. David Pointer  
c/o Sharon Kerrick  
555 North Kensington Avenue  
La Grange Park, Illinois 60526

Dear Mr. Pointer:

I would like to nominate Mrs. Shana Helton as an authorized NRC representative on the Executive Committee of the Young Members Group of the American Nuclear Society (ANS). As a student, Mrs. Helton was involved with numerous ANS activities, including serving as the student representative on the ANS Board of Directors. For the past 3 years, she has served as a mentor to ANS participants in the Washington Internships for Students of Engineering. Additionally, she has been involved with the formation of a local chapter of North American Young Generation in Nuclear in the Washington, DC metro area.

In accordance with OMB Circular A-119, "Federal Participation in the Development and Use of Voluntary Consensus Standards and in Conformity Assessment Activities," February 19, 1998, the participation on a committee of an authorized NRC representative does not connote agency agreement with, or endorsement of, decisions reached by the committee, or of standards approved and published as a result of the committee's efforts. Agency representatives participating on standards developing groups will, to the extent possible, ascertain the views of the agency on matters of interest and will express views that are consistent with established agency views.

D. Pointer
