SUBJECT: Response to NRC Request for Additional Information Regarding the
February 2002, Order Section B.5.b
Waterford Steam Electric Station, Unit 3 (Waterford 3)
Docket No. 50-382
License No. NPF-38

Dear Sir or Madam:

On August 23, 2005, Waterford 3 conducted a secure teleconference with NRC so that you could more fully understand, through our responses to your requests for additional information (RAIs), the enhancements that have been implemented at the site related to B.5.b. Subsequently, the NRC requested by letter dated August 29, 2005 that Entergy provide written responses to these RAIs. The attachment provides the responses for Waterford 3 to the RAIs clarifying our original submittal dated May 31, 2005. A PGP encrypted copy has also been provided via e-mail.

This submittal contains no new commitments.

Should you have any questions concerning this submittal, please contact Gregory Scott at 504-739-6703.

Sincerely,

A handwritten signature in black ink, appearing to read "Robert J. Murillo".
