Subject: FirstEnergy Nuclear Operating Company (FENOC) Announces Temporary Management Change at Perry

Discussion:

FirstEnergy Nuclear Operating Company (FENOC) announced that Richard (Rich) Anderson, the Perry Site Vice President, will serve on an interim basis as FENOC's Vice President of Operations, reporting to Joseph Hagan, FENOC Senior Vice President and Chief Operating Officer.

William (Bill) Pearce, who is currently the Site Vice President at FENOC's Beaver Valley facility, will temporarily assume the position of interim Perry Site Vice President. Mr. Pearce will report to Perry on November 7 to begin the transition process and will officially assume the interim Perry Site Vice President position on November 21, 2005.

Upon completion of his assignment, Mr. Anderson will return to Perry as the Site Vice President.
