**Subject:** Thanks Too! *#2 2*

I want to add my thanks to all those who helped on this effort and also thank Sandra who put together the background books for Bill, Stu, and Brian and took care of other requests.

Allen

From the reactions at the meeting and the initial press clippings, it sound like we all helped to have the NRC well represented at yesterday's Vermont Public Service Board meeting. Thanks to each of you for your willingness to provide outstanding work.

As I was preparing this e-mail and trying to make sure I included everyone who helped, I was surprised by the number of folks who helped. And I probably missed someone. A true team effort!

Bill
